

QLS Curriculum e-Update Service

FREE

In 2003 QLS launched its exciting electronic "e-Update" information and news service for Staffordshire teachers and schools. The service is easy to use and is a swifter, more regular and more focused means of keeping up to date with your subject area and those other aspects of school you are directly involved in, or simply interested in.

A great bonus is that as an individual subscriber you can choose which of the many e-Updates on offer you want to receive, and there is no limit to how many you subscribe to. You can also change your choices at any time.

QLS e-Updates are a natural forward-looking development of the traditional paper "newsletters" formerly produced and distributed by QLS on a wide range of subjects and aspects.

ALREADY A SUBSCRIBER?

If you are, then let us know your reactions and send in your ideas for developing the e-Update service. It is a bold innovative venture, and will no doubt meet one or two little hitches as it becomes established - please help us to keep improving the quality of the service.

NOT YET A SUBSCRIBER?

If you are not yet a subscriber, it is very simple to become one, and of course it is FREE. If you need help to **confirm or create** your user name and password, ask your school's Account Manager.

The e-Update service runs via the Staffordshire Learning Net. Every teacher in Staffordshire has a unique username and password so you can log-in and take part. It is a "private" website and designed uniquely for colleagues working in this County.

HOW TO RECEIVE E-UPDATES

To ensure you receive the e-Update(s) you want, you will need to "subscribe" by taking the simple steps set out below.

1. Armed with your user name and password go to <http://education.staffordshire.gov.uk>. In the grey horizontal bar running across the screen you will see the word LOGIN. When you scroll over this the word turns red. Click.
2. Enter your username and password.
3. When the new screen is displayed you will find that the space previously occupied by 'LOGIN' now reads 'MY PROFILE'. Again, if you scroll over this it will turn red. Click here.
4. You will now see a screen that is titled My Profile. To add your e-mail address click on 'change your e-mail address'.
5. To obtain e-updates or to change your choice of titles simply click on the hyperlink 'Manage your subscriptions' which appears below the heading 'Distribution Lists'.
6. You can subscribe and unsubscribe by clicking on the appropriate update. The e-update will show blue when subscribed and green when unsubscribed. You will now receive any update which says 'Un-Subscribe' and is coloured blue.
